## THE PERFECT BALANCE OF SIZE AND STRENGTH

Our 600x1200mm double charge tiles with 9mm thickness redefine durability and elegance, making them the perfect choice for modern interiors. Designed to withstand heavy foot traffic, these tiles offer a glossy finish that enhances the aesthetics of any space while ensuring long-lasting strength. Their dual-layered construction not only adds depth to the design but also enhances resistance to wear, making them ideal for both residential and commercial applications.

From luxurious interiors to high-end public spaces, restaurants, and lobbies, these tiles bring a seamless blend of sophistication and performance. Their polished surface exudes opulence, while their tough core ensures reliability. With a perfect balance of beauty and endurance, our double charge tiles elevate any environment, setting new standards in both design and durability.

## PREMIUM STRENGTH, TIMELESS BEAUTY.

Our tiles are crafted with cutting-edge technology, making them highly resistant to scratches, fire, liquid, frost, and much more. Designed for durability and performance, they maintain their pristine appearance even in the toughest conditions. Whether it's heavy foot traffic, accidental spills, or extreme temperatures, these tiles provide long-lasting protection without compromising on style.

Beyond their strength, our tiles elevate spaces with elegance and functionality. Their superior resistance ensures easy maintenance, making them ideal for both residential and commercial applications. From cozy interiors to bustling public spaces, these tiles offer a seamless blend of beauty and resilience, setting a new benchmark in tile innovation.
